'Bringing out the Best in Every Child'

Welcome back! We are already at the end of our second week of this busy Summer term. I hope you all had a lovely, relaxing Easter break and the children have come back refreshed and eager to learn. Hopefully the weather will be kind to us and we will be able to undertake some more outdoor activities. The next few weeks are very busy with lots of sporting events, two residential trips, class assemblies, school trips and themed lunches and KAF events. Please keep visiting the website at www.kayesfirst.co.uk as all letters and dates will be uploaded for your information.

Spring Music Events

Wow! The Reception and Nursery children amazed us with their excellent music performance before the holidays. It never fails to amaze me how they manage to learn so many song words and actions. Well done to all of the children.

'Fun, Friendly, Kind & Helpful'

In our nursery class we aim to provide a warm, calm and caring environment for our young children, where they feel happy, safe and secure and develop a sense of belonging.

Nursery Places September 2018.

We are currently offering Nursery places for September 2018, if you have not yet registered your child, or you know of any friends, who require a place please contact the main office to complete a registration form and hours request form.

If you require any further information please speak to Mrs Bentley on 01484 222918

Year 2 SATS Information Evening!

There is a Year 2 SATS information evening on Tuesday 1st May at 5pm, in preparation for SATS week commencing 7th May. All Year 2 parents are welcome to come along to find out information about the tests and how they are administered.

Thank you to all your kind donations for Sport Relief we raised £132.00 to help people who are less fortunate than us.

Dates to remember!

May Day - Monday 7th May 2018
School breaks up for May half term on Friday 25th May and re-opens on Monday 4th June.

'Bringing out the Best in Every Child'

Thank you to all the parents who completed the recent questionnaire, we are delighted with the positive response we received. Below are some of the results in graph format. The full results and comments can be found on the school website. We will take this information on board and use it to enhance the children's learning and development.
